I'm forwarding this email from Emily, who is a Mid-City West Community Council member, because it provides a meaningful perspective / reflection on how the Melrose BID provides homeless outreach. It's interesting to me that MCW actually deploys Board members to the field to provide homeless outreach. (I'm not even suggesting that the BID Board follow suite! Although, let me know if any of you want to volunteer.) The email reports on a "growing encampment", specifically between La Jolla/Kilkea (behind The Improv 8162 Melrose Ave, Los Angeles, CA 90046)." Within the Melrose BID area, our homeless population seems stable and / or diminishing. I don't believe that we have any major encampments at the present time. I believe this reflects the effectiveness of our unique approach, that is: "BID Security Ambassador + Venice 4Square Church Homeless Task Force + LAPD." The bottom line: the Melrose BID program is placing individuals and getting them off our streets. This is a tremendous benefit to our business and property owners in terms of creating a street where business can be effectively conducted with diminished threats from homeless issues and petty crime. That was the promise of BID formation. Let me know your thoughts.

Hi all,

Tomorrow is our monthly 4th Wednesday with LAPD Wilshire. As always, please participate if you can, or put it on the calendar for next month.

I will be meeting the LAHSA team and any other participants at the station, getting the update from our SLO, and dispersing from from there.

4th Wednesday Homeless Outreach
Oct 26th, 8am
LAPD Wilshire Division
4861 Venice Blvd, LA 90019
(meet in the west building,
not in the traffic building at 4849)

This month's destination are the alleys behind Melrose between Sweetzer and Crescent Heights. Sgt. Joseph, in our LAPD case management meeting on Thursday, shared that there is a growing encampment, specifically between La Jolla/Kilkea (behind The Improv 8162 Melrose Ave, Los Angeles, CA

90046). We are looking to reach out to two individuals specifically:

- Katherine (blonde/blue, 5'8" 150lbs, age 34)
- Christopher (blonde/blue, 5'10" 140lbs, age 48)

See you at the station and feel free to call me if you are running late.

Many thanks and best regards,

-EmilyUK
